W3 Series DVB-T2/C

DVB-T2/C

Uncompromising picture quality

The modern design of the W3 series will fit into your home perfectly. These models are equipped with a powerful processor, fast response panels and advanced backlight control to faithfully display fast-moving objects in high resolution. You're going to love viewing and playing photos, HD videos and music which you have stored on your USB key directly on your TV screen thanks to the Multimedia Browser.

Evolution. Emotion. Passion.
